

- MEZCAL SAN COSME - OAXACA

WINE ESTATE

Mezcal San Cosme, borrows its name from Saint Cosmas who, alongside his twin brother Damian, is worshiped as the Patron Saint of Doctors. San Cosme is the taste of ancestral traditions, and craftsmen respectfully oversee each step of the complex and ceremonial production process.

PROCESS

This artisanal young mescal of 40% ABV is obtained from the “Espadin” agave, produced in the state of Oaxaca in Mexico.

TASTING

Mezcal San Cosme displays a crystal clear color, with some intense reminiscence of agave, vanilla and pepper in the nose. The palate shows delicate notes of apple, smoke and caramel with a long and warm finish.
