

VALDUERO

Reserva

Ribera del Duero

▪ WINE ESTATE

Valduero is a family owned winery and one of the first established in 1984 in Ribera del Duero. Over the years, Valduero has continuously increased the volume and quality of its production. They currently own over 200 hectares of vineyards of "tinto fino" better known as Tempranillo producing Crianzas, Reservas and Gran Reservas. The results are an impressive collection of prizes, medals and accolades which have accredited Valduero as one of the top wineries from Ribera del Duero.

▪ GRAPE VARIETY

100 % Tempranillo

▪ VINIFICATION

Application of the micro-fermentations in 20,000 litre vats enabling better pumping and deeper controlled maceration.

This grape variety 'Tinto Fino' beautifully ages in American oaks.

The Reserva wine ages for 20 months in the oak and 16 months in the bottle.

▪ FOOD PAIRING

Enjoy ideally at 17-19°C with grilled or roasted meats, same and other savoury main courses.

▪ TASTING NOTES

A seducing deep cherry red colour. Great complexity of aromas reminiscent of coffee, tobacco and elegant oak well combined with the fruit. On the palate this is a lively wine with a smooth texture, well-balanced tannins and acidity. Its good structure assures a long bottle-life.
