BEAUJOLAIS

LES CADOLES

Protected Appellation of Origin

Gamay is vinified like a white wine : hand harvesting and sorting followed by an immediate pressing. Low temperature fermentation in stainless steel tanks is made to keep the freshness of the fruit. To enjoy 2020, a sunny vintage, drink it preferably between its first and fourth year.

100% Gamay

Very varied soils : clay-limestone in the south, granite and alluvium in the north

Aged in concrete and stainless steel tanks

Fresh, fruity and crunchy wine with red berries aromas

Tapas, charcuterie, grilled vegetables, barbecue, strawberry soup
