MATRA
OAX MEX

History of Matra

Mezcal MATRA arose from the need to preserve the tradition of mezcal production. The palenque made its first mezcal in 1845, and it was not until 2011 that the first steps were taken to start a family project.

Located in the valley of Santiago Matatlán, Oaxaca, the distillery collaborates with local mezcal masters and their families, making Matra a sustainable project that provides benefits to the less favored populations.
