

CHAMPAGNE
HENRI GIRAUD

We chose to offer you a new dimension of the Perpetual Reserve by adding a touch of Aÿ Grand Cru AOC Red Wine, creating PR Rosé and revealing a true terroir wine identity.

The Perpetual Reserve, a suspended space-time where complexity, fruit, and spirituality intertwine with shimmering wreaths of orange blossom shot through with flashes of chalk and bitter minerality.

It channels this fantastic energy, born of the fusion of Champagne's hundred-million-year-old twin marine terroirs - Aÿ's chalk and Argonne's gaize - into a long, saline river, perfumed with subtle aromas. Here emotion, carried to its height, borders on the mystical.

Technical Data

Base perpetual reserve assembled with a dash of Aÿ Grand Cru Rouge
3 years of aging on lees
