Analyses

Degré : 12% vol / Dosage en g/l : 0 Brut Nature

Tasting : Clean and Bright

This wine has not received any dosage and thus it expresses the purity and liveliness of the wine. With a crystalline yellow color with golden highlights, the fineness of its bubbles delights us. The intense nose offers delicate aromas of hawthorn. A pretty fresh mouth of citrus aromas with a very harmonious finish where the wine can express itself.

Taste it as an aperitif or along with the meal. Serve chilled (7-8°C/45-47°F).
