

Belle Chasse™

Vodka

GRAB IT

We designed the bottle with a long neck and recessed label panel. It's easy for you to grab either the neck or body when you pour.

OPEN IT

We selected the Stelvin® closure because it protects the vodka, is easy to open and 100% recyclable.

TASTE IT

The smooth approach sweet creamy mid-range and pleasant warm finish define quality vodka. It blends seamlessly in your finest creations while satisfying the most critical vodka-rock drinker.

POUR IT

Belle Chasse was developed for the professional mixologist - at home or work. Our Master distiller starts with GMO free French wheat and pure limestone spring water and adds his blending skills honed in cognac to produce this fine vodka.

ENJOY IT

A better package from top to bottom... the neck is shaped for even flow and the base adds stability in the speed rail. Our lightweight bottle saves wear and tear on your arm and the environment.
