

CHAMPAGNE  
**HENRI GIRAUD**

Humanity and Sustainability are the key words of L'Esprit Nature, gateway to the Henri Giraud universe. This brilliant wine bears the flag of the house's original commitment to the defence of the environment. Its emblem, the paper oak, tells the story of the fragility of life and the capacity of Man to reinvent it. Sparkling with beautiful mineral bitterness, it pushes the door of the great wines of Champagne, while its incomparable fruit invites shared pleasure.
