

THE STORY

The latin for Hungarian cricket is “Locusta petulans”, which roughly means clever cricket. Its favorite food includes the leaves of vine tendrils.

But not just any kind of leaves. Research has shown that there are certain varieties of grapes whose leaves the clever cricket will not touch. These are primarily the leaves of the Grüner Veltliner variety. That is why we decided to dedicate this wine from the Grüner Veltliner to that clever cricket.

Grüner Veltliner

PANNON

Description: Enjoy this refreshing Grüner Veltliner with its typical aromas of ripe apples and hints of white pepper.

Alcohol: 12.2 % vol.

RS: 0.3 g/L
