

Domaine Gerard Millet

Menetou-Salon White

The Estate:

Created in the 1930's, the family estate has been passed down through five generations. They considered the soils were perfectly adapted to vines and decided to start planting to produce grapes and wines of the highest quality. The family extended it to over 24 hectares of vines planted with Sauvignon Blanc and Pinot Noir.

Varietal :

100% Sauvignon Blanc.

Soil

Limestone.

Tasting notes:

A crisp and refreshing Sauvignon Blanc with delicate aromas of exotic fruit, citrus notes and a hint of white floral blossom. Lovely and textured on the palate with a mouthwatering finish. Great pairing with pork, seafood, spicy food and goat cheese.
