

TENUTA SAN GIACOMO

Tenuta San Giacomo lies very few miles from the Gavi center, on the hills of the Li-gurian Pre-Apennines. The estate owns 20 hectares of vineyards, cultivated according to the passion and the tradition of the Bergaglio family who has played a significant role in the birth and growth of Gavi di Gavi for three generations. The family firmly believes in the principle that great wines come from the vines first; therefore they devote themselves entirely to the most careful cultivation of vines, strictly respecting the territory and the environment.
