

ALBERTO BALLARIN

Langhe Nebbiolo D.O.C.G.

Grapes: 100% Nebbiolo

Plant sixth: 2.60 x 0.90 m

Altitude: 250 meters a.s.l.

Exposure: south-west

Training system: guyot

Age of vines: 15-30 years

Yield per hectare: 80 quintals of grapes per hectare

Soil: limestone – blue marl

Harvest: October

Vinification: fermentation in thermo-regulated stainless steel tanks

Aging: 6 months in Slavonian oak barrels

Organoleptic examination: ruby-garnet color. Rich, fruity, elegant bouquet with floral notes of rose and violet. In the mouth great harmony between the acid components and the tannins. Medium flavor and persistence. Ready now and / or for gentle ageing.
